CANDY CANE ORNAMENT
INSTRUCTIONS

Below is an example of what a younger writer might write.

Note that specific details or instructions are left out.

Also note that the child's words may or may not be spelled correctly.

Both are okay. The goal is that the child's writing is legible and organized.

Do you like candy canes? You can make one!

Materials:
Pipe Cleaner, red and white beads

Steps:
First, get a pipe cleaner.
Next, ball the end.
Then, put on the beads.
Last, ball the end.

It's easy. You can do it!
