

ADJECTIVES

An <u>adjective</u> is a word that describes a noun. Adjectives can tell how something looks, sounds, smells, tastes or feels.

The following exercises are all about adjectives and nouns. As you work through these pages, your goal is to complete the entire lesson without writing any one adjective more than once.

Writing Nouns

For each adjective below, write 5 nouns that the adjective can describe. For example:

YELLOW: sun	banana car	lemon shirt
-------------	------------	-------------

SQUEAKY:

SALTY:

ROTTEN:

SWEET:

Unscramble Adjectives

Below, there will be 3 different adjectives that are scrambled, an easy, medium and difficult adjective. You have to write the adjective correctly below the scrambled adjective.

All 3 adjectives are synonyms. That means that the 3 adjectives mean almost the same thing. For example: tiny, little and miniature

Thing. For example: Thy, ITT

For the last activity you have to write a pyramid of adjectives.

The first adjective will have 3 letters. The second adjective will have 4 letters. The third adjective will have 5 letters and so on. Write your letters on the blanks below.

If you need help thinking of adjectives, look for some in books. Remember, your goal is to not use any adjectives that you've already written on these pages.
