

The African Savanna

Try to find all 23 mistakes in the paragraph below. Follow these steps to show the corrections:

If a letter needs to be capitalized, underline that letter 3 times. Then, write the capital letter above it.

If a word is misspelled, circle it. Then, write the correct spelling above the word.

If punctuation is missing, write in the punctuation and then circle it. For example:

A a the ! ?))
the the
the

the african Savana is quiet just for a
moment the girafes lift their long necks to
eat lunch the lion rest his thick main on his
strong shoulders the elephants walk together
their long skinny tails bat the flies away
hungry hyenas pase back and forth

Here are the answers:

The African Savanna Is quiet Quiet just for a
moment eat The girafes lift their long necks To
eat lunch The lion rest rests his thick mane main on his
strong shoulders The elefants walk together
their long skinny tails bat the flies away
hungry hyenas pace pace back and forth
